Roswell Rotary Delivers Lunches to EMTs at Station 24

This past Thursday, members of Roswell Rotary had the privilege of delivering 21 lunches to the hardworking EMTs at Station 24. A special thanks goes out to Juan, who expertly prepared the lunches in under 24 hours, and to Gene Beckham, Jack Wyche, and Elwyn who took time to deliver the meals.

Station 24 is an essential part of our community, and they were the first to respond to Officer Labonte on Friday night. We are grateful for their quick response and unwavering dedication to keeping us safe.

This small gesture of appreciation is just one way we can say "thank you" to the men and women who are always ready to serve. Roswell Rotary stands with our first responders and appreciates their service to our community.

Upcoming Rotary Meeting: Dan Corso, President of Atlanta Sports Council

We are excited to announce that our next meeting will feature Dan Corso, President of the Atlanta Sports Council and a fellow Rotarian from the Atlanta club. Dan has been instrumental in bringing major sporting events to our city, including the Super Bowl, the College Football Playoff National Championship, and the upcoming FIFA World Cup.

Dan will share insights on how the Sports Council continues to make Atlanta a premier destination for global sporting events and how these events impact our local economy and community. His extensive experience and leadership in the world of sports will provide us with a unique perspective on the business and civic partnerships that drive success.

Please join us for what promises to be an engaging and informative meeting. This is a fantastic opportunity to hear from a true leader in the sports industry who is dedicated

Dan Corso -Atlanta Sports Council to Speak

Dan Corso
President Atlanta Sports
Council

Welcome Dan Corso, a fellow Rotarian from Atlanta Rotary, to our club. Dan has been instrumental in attracting major sports events to Atlanta. In 2024, FIFA announced that Atlanta would host eight matches during the 2026 FIFA World Cup—including a semifinal. The international soccer competition is expected to generate approximately \$415 million in revenue for metro Atlanta. Amazing opportunity for this city!

The ASC promoted metro Atlanta as the site for U.S. Soccer's National Training Center. In April, U.S. Soccer broke ground on the center, located in Fayette County; it is expected to open in 2026. And there is so much more.

We look forward to hearing much more from Dan about his role in bringing these events to Atlanta. Let's pack the house Thursday!

Honor Air Looking for Veterans

Trip to Visit War Memorials April 9th

CALLING ALL VETERANS (who have never been on an Honor Air Trip)

Roswell Rotary Honor Air is accepting 50 applications from US War veterans, America's heroes, for a **complimentary free day trip to visit their Memorials in Washington DC on April 9, 2025.**

Many of the men and women who fought and sacrificed for our country have not had the

opportunity to visit their own Memorials. Our World War II veterans and also our Korean War veterans are facing health challenges so time is of the essence for these great men and women. In addition, We want to give our Vietnam War veterans the "Welcome Home" they never received, honoring their service, sacrifice, and commitment to our country.

Here is how the Honor Air works: Approximately seventy World War II, Korean, and Vietnam War veterans plus guardians, a doctor and emergency personnel will gather at the Roswell, GA Community Center in the early morning hours and travel by motorcoach to the Atlanta airport. They will fly on a chartered plane to Washington, D.C. where they will be escorted on buses from the Ronald Reagan Washington National Airport to the World War II Memorial. Then they will visit the Vietnam and Korean Memorials and the Tomb of the Unknown Soldier at Arlington Cemetery. That same day they will return to the Reagan airport, fly back to Atlanta and then by bus to Roswell. Every veteran will have a volunteer guardian to personally assist them. Veterans will be encouraged to take advantage of the complimentary wheelchairs throughout the day.

Rotary Leadership Institute

As Rotarians, you are all leaders, some in your community, some in your profession, and some in life in general..

Why Participate?

At RLI, our purpose is to give you the necessary tools and skills to be better Rotarians. As with every endeavor, the more you know about anything, the more interesting it becomes. Rotary is most assuredly one of those areas that the more you put into it, the more you get out of it. RLI can make that possible for you.

Investment in Roswell Rotary's Future

Graduates of RLI are more likely to remain in, and be a bigger part of Rotary, than any other demographic. RLI is a great place for newly inducted Rotarians to quickly learn about the "Object of Rotary". Club Officers can build on their Rotary Knowledge to enhance their club experience. Club Presidents can expand on the skills gained at their President Elect Training Seminar. Long-time Rotarians can re-kindle the old Rotary flame, and at the same time share their experiences with the other participants. Roswell Rotary will reimburse you the \$100 (in-person session) or \$15 (online session) for the cost of the course! That is how much your club believes in the benefits of RLI.

Go to <https://www.rlisunshine.org/> for course information, dates and registration.

Patriotism Flooded The Room at Roswell Rotary

Rotary
Club of Roswell

On October 15, 2014, when Roswell Rotary Club presented its evening story of The War Spanglers to the Roswell Rotary Club and its members, patriotism in the room was contagious. When the group and audience heard the story and saw the photos, they were all moved and many said, "I wish I could be a part of this." The story was so powerful that it was a great example of the power of the Rotary Club. The story was so powerful that it was a great example of the power of the Rotary Club.
